Docket No. 98N-1265 JUN -9 P2:21
Food and Drug Administration

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: Because of the Madison Pharmacy
Associates I was able to have my
prescription for progesterone compounded
& I finally achieved the right dosage
for a long standing problem I'd
been having that regular standard
prescriptions caused no help.
